Dear Sir:

The undersigned Inventors declare and state as follows:

1. We are the inventors of the above-captioned patent application, U.S. Application Serial No.10/002,446, filed October 22, 2001.
2. Prior to February 16, 1999, we, the inventors, had completed our invention in this country, as described and claimed in the subject patent application. This is evidenced by the following:

We designed, tested and ran simulations and demonstrations, prior to February 16, 1999, as documented in writing at least in a Qualcomm Incorporated Invention Disclosure No. 99-0156, a copy of which is enclosed herewith.

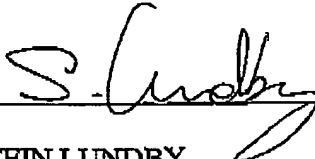

We hereby acknowledge that all statements made of our own knowledge are true and that all statements made on information and belief are believed to be true; and further acknowledge that
